Efezino Petroleum Engineering & Supply Co. Ltd

Reliable Energy, Unlimited Possibilities

RC: 7151861

About Us

Brief Overview of the Company

Efezino Petroleum Engineering and Supply Company Limited, incorporated on September 23, 2023, is a dynamic and forward-thinking enterprise operating from its headquarters at No 28, Ughelli Patani Expressway, Delta State.

We specialize in a comprehensive range of services within the oil and gas sector, including the sale of petroleum products, engineering, procurement, construction, and operations. Our operations extend to marketing petroleum products, providing civil engineering solutions, and offering energy consultancy. Additionally, we operate supermarkets to meet the diverse needs of our customers.

Our current infrastructure includes a fully operational petrol filling station equipped with an add-on LPG tank. We are also preparing to launch an ultra-modern petrol filling station facility in Kubwa, FCT.

This upcoming facility will feature a state-of-the-art LPG Plant, a CNG vehicle conversion and refueling plant, an automated car wash, an automated lube bay, and a comprehensive supermarket, underscoring our commitment to innovation and customer satisfaction.

Mission

Our mission is to deliver high-quality petroleum and energy solutions through innovation, operational excellence, and a commitment to sustainability. We strive to enhance the energy landscape with state-of-the-art facilities and services, ensuring our customers receive unparalleled value and satisfaction.

Vision

Our vision is to be a leading provider of integrated energy solutions, renowned for our excellence in petroleum engineering, construction, and marketing. We aim to set the standard for innovation and efficiency in the industry while contributing to the development of our communities and the environment.

Core Values

- **Integrity:** We uphold the highest standards of honesty and transparency in all our business dealings.
- **Excellence:** We are dedicated to delivering superior quality and performance in every aspect of our operations.
- **Innovation:** We embrace cutting-edge technologies and creative solutions to meet the evolving needs of our clients.
- **Customer-Centricity:** We prioritize our customers' needs, striving to exceed their expectations with exceptional service and support.
- **Sustainability:** We are committed to environmental stewardship and sustainable practices, ensuring our operations contribute positively to the world.

OUR SERVICES

Efezino Petroleum Engineering and Supply Company Limited provides a diverse range of services and products, including:

- **Sales of Oil and Gas Products:** Comprehensive distribution and retail of high-quality petroleum products, including petrol, diesel, and LPG.
- **Engineering Services:** Expert solutions in petroleum engineering and civil engineering, tailored to meet industry standards and project requirements.
- **Procurement:** Efficient procurement processes for sourcing high-grade materials and equipment necessary for our operations.
- **Construction Services:** Development and construction of advanced petrol filling stations and related infrastructure.
- **Operations:** Effective management and operational support for petroleum facilities, ensuring optimal performance and reliability.
- **Marketing of Petroleum Products:** Strategic marketing initiatives to promote and distribute our petroleum products effectively.
- **Energy Consultancy:** Professional consultancy services offering insights and solutions in energy management and efficiency.
- **Supermarkets:** Provision of essential consumer goods through our well-stocked supermarkets, enhancing convenience for our customers.
